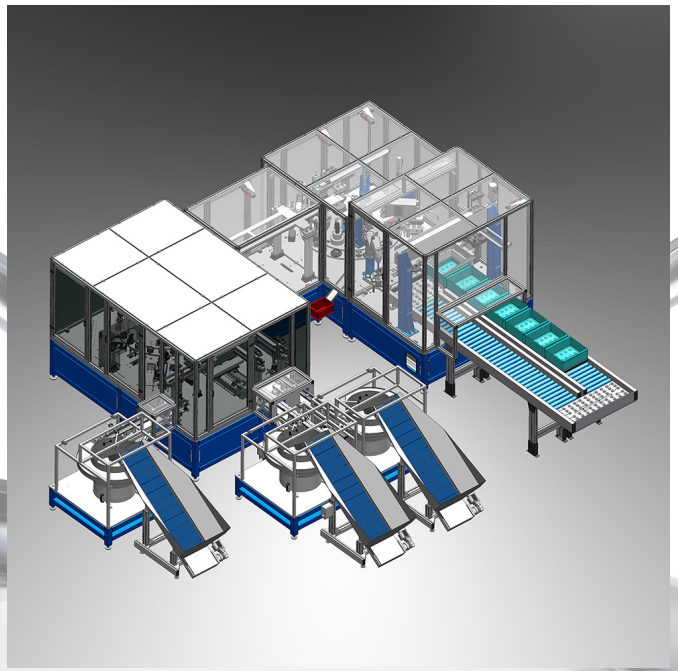
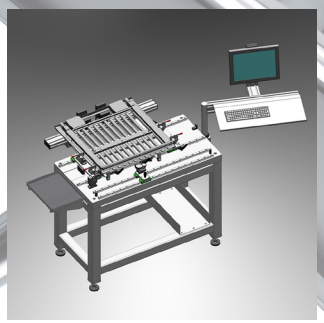
JAKOMA

Innovative ideas and components for machine construction

JAKOMA - Ihr Konstruktionsbüro
für Anlagenbau, Sondermaschinenbau, Vorrichtungsbau

REFERENZEN





www.jakoma.de

Die JAKOMA GmbH ist Spezialist für Konstruktionen im Bereich Sondermaschinen, Vorrichtungen, Montage- und Handhabungstechnik. Kundenorientiertes und zuverlässiges Arbeiten, hohes Engagement und eine korrekte Ausführung der Kundenaufträge zeichnen unser Unternehmen aus. Gerne unterstützen wir auch Ihr Unternehmen bei konstruktiven Aufgaben.

Unsere Konstruktionen werden mit modernster CAD-Technik in AutoCAD Mechanical © und SolidWorks © realisiert. Über E-Mail sind unsere Kunden immer schnell und pünktlich auf dem neuesten Stand ihrer Konstruktionen. Zeichnungen sind bis Größe DIN A0 lieferbar.
